

# The school of my dreams

## EVERYBODY IS WELCOME

### Introduction

Imagine a world where diversity is celebrated, and understanding knows no borders. Ready to make it a reality? Join our eTwinning project to bridge cultures, challenge stereotypes, and promote an inclusive society through education and creativity.

### Objectives

LEARN ENGLISH

- Foster an inclusive society promoting cultural awareness and understanding.
- Appreciate the contributions of immigrants.
- Combat stereotypes and prejudices related to immigration.
- Enhance language skills and communication in English.
- Foster creative expression through collaborative activities in Arts & Crafts, Biology, History & Geography, and English.

### Contents

Exploration of an imaginary migrant child's life.

Investigation into historical migrations' impact on culture.

Study of mass animal migrations worldwide.

Exploration of art and artist migrations.

Reflection on students' wishes for their inclusive dream school.

### Expected outcomes
